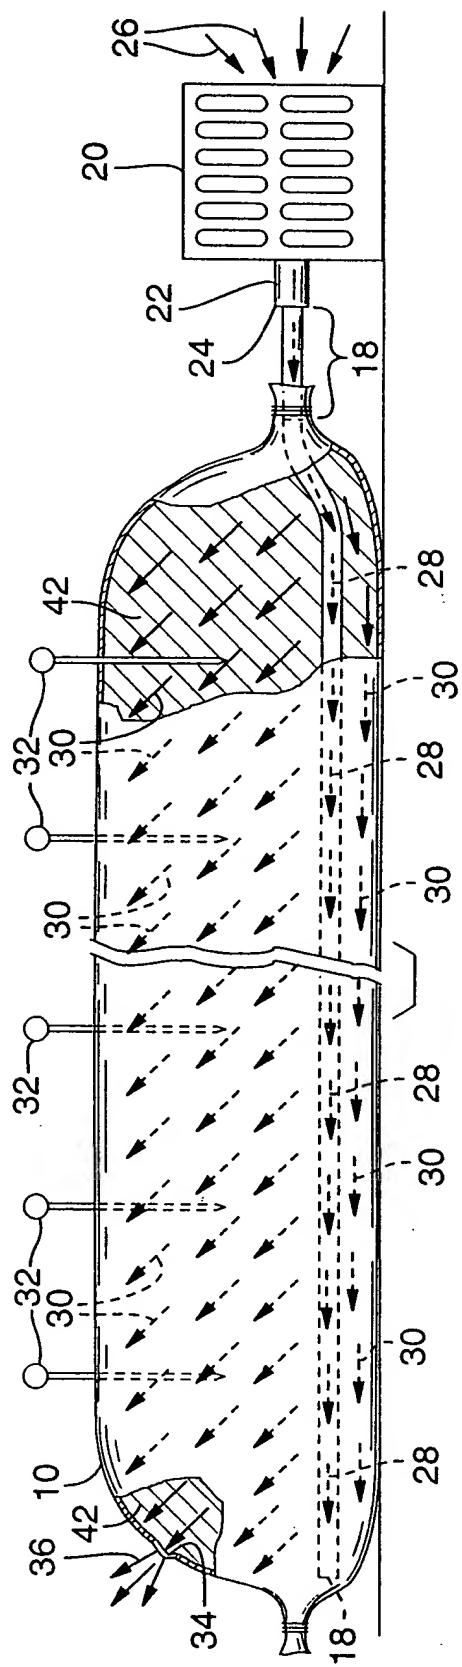

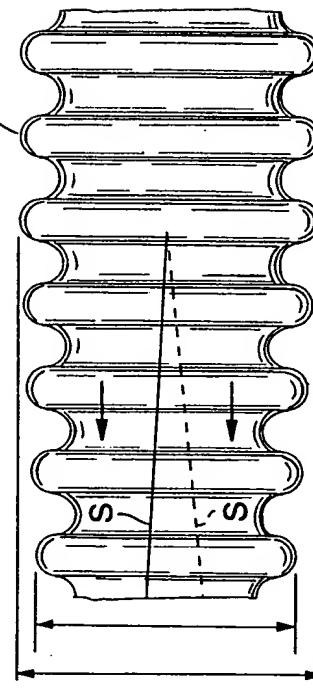

FIG. 1a 16-14
FIG. 1b

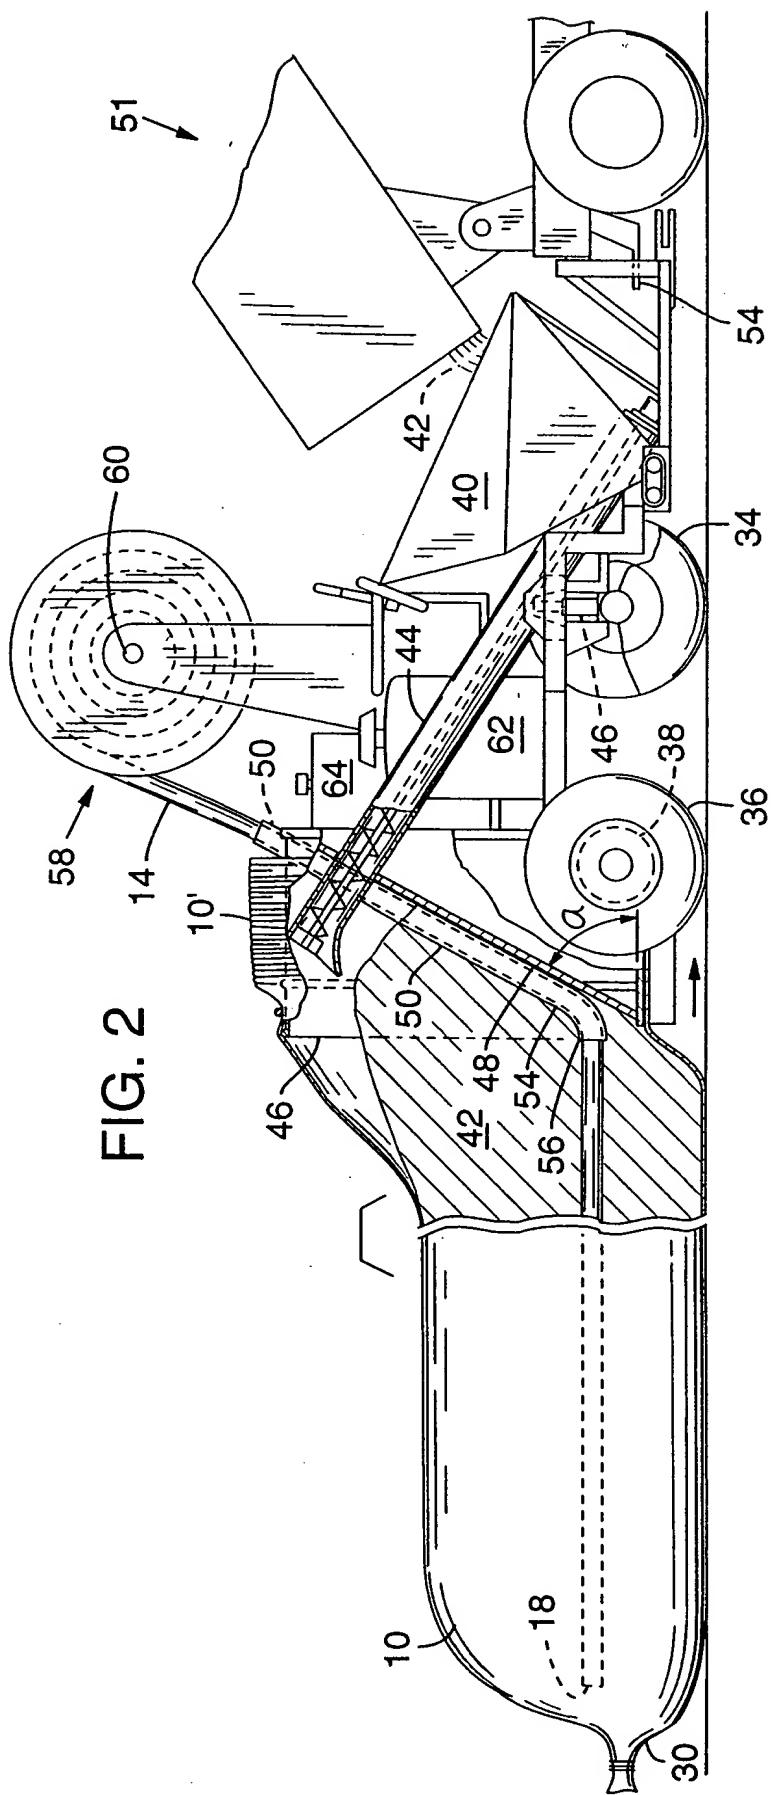

The diagram shows a vertical stack of four cylindrical components. The top component is labeled '14' with an arrow. Below it is a component labeled '16' with an arrow. The third component from the top is labeled '18' with an arrow. The bottom component is labeled '20' with an arrow. Each cylinder has a series of horizontal slots or grooves running along its length.
